Air Quality Forecast for the UK

Issued by the Met Office

Today: Widespread Low levels of air pollution are expected on Monday. Localised build-ups of Moderate pollution are possible during the afternoon and early evening across the south of England.

Tomorrow: On Tuesday generally Low air pollution levels should persist, though again some localised afternoon build-up of Moderate pollution is likely across eastern England.

Outlook: From Wednesday and Friday air pollution levels should widely be at Low levels, though areas of Moderate pollution are expected across southern and eastern parts of the UK.
